American Legion AUXILIARY NOTES

Regular meeting of the American Legion Auxiliary Unit 139 will be held Monday, October 8 at 8 p. m. at the Legion Home. Mrs. Nellie Nelson is in charge of the topic for the meeting. The topic will be "Education of Orphans of War Veterans." All members are asked to bring canned goods and children's clothes, in good condition. Anyone wishing a ride to the meeting should contact Mrs. Gordon Romanoff.

American Legion and Auxiliary members are asked to remember the date of the annual Harvest Ball, October 20, to be held at the Top Hat. Proceeds from the Harvest Ball go toward the annual Christmas Gift Shops at the V. A. Hospitals in the state.

Twenty seven veterans from Gulfport Hospital were entertained by the American Legion Auxiliary last Tuesday afternoon. The veterans were amused with bingo and a songfest. Refreshments were also served by the following members: Mrs. Arthur Lozano, Chairman; Mrs. Rene Hermond, Sr.; Mrs. Anthony Trapani; Mrs. John Weathers; Mrs. C. F. Mitchell; Mrs. W. D. Bourgeois; Mrs. Emmet Brown; Mrs. Russell Elliott and Mrs. Gordon Romanoff.

Mrs. Gordon Romanoff urges all members of the American Legion Auxiliary to read the auxiliary magazine "National News." Activities of the Auxiliary are published in the magazine. Also members that do not receive the magazine should contact Mrs. Romanoff so their names may be sent to headquarters to be put on the mailing list.

"Don't take America For Granted," warns Mrs. Gordon Romanoff. "President of Clement R. Bontemps Unit 139 of the American Legion Auxiliary. Fighting in their day, were, like the United States, the most powerful and prosperous in the world. Mrs. Romanoff describes how they have fallen because

of the indifference and lack of patriotism of their people.

"We will not always have this magnificent country of ours with its freedom, its opportunities and its high standards of living unless we realize what we have here in America and are willing to do the things necessary to retain it," said Mrs. Romanoff. "Too many of us are too busy enjoying America to give any service to the country which is giving us so much."

"Our homes, our automobiles, our televisions absorb our interest. Too often to the exclusion of interest in the things which make it possible for us to have such a fine way of life—the free American form of government and men who have defended it. We need to wake up and realize that patriotic spirit and patriotic service made the America we are enjoying today and are the only things which can maintain it. We need a reawakening of old-fashioned patriotism."

Mrs. Romanoff pointed out the opportunities for patriotic service which the American Legion offers to its members and urged that every eligible woman enroll in the Auxiliary for 1957 and help carry forward the organization's Americanism, national security, community service, rehabilitation and child welfare work.

BIRTHS

Mr. and Mrs. Clarence Fricke announce the birth of a daughter, Donnie Alberta, Sept. 27, 1956. The infant girl weighed 4 lbs. and 2 ounces at birth. She is the granddaughter of Mr. and Mrs. Ernest Cuevas and Mr. and Mrs. John J. Fricke of Bay St. Louis. The mother was Miss Elise Cuevas before her marriage.

Mr. and Mrs. Otis J. Ladner, Pass Christian, Rr. No. 1 announce the birth of a son, weight 8 pounds, Sept. 26, 1956.

Mr. and Mrs. Walter Asher announce the birth of a daughter, weight 6 pounds, 8 ounces Sept. 26, 1956.

Mr. and Mrs. James Mayfield announce the birth of a son, weight 7 pounds, 6 ounces, Sept. 26, 1956.

Mr. and Mrs. Floyd Cuevas, (nee Shirley Louise Moran, Kiln) announce the birth of a daughter, October 1, 1956, weight 8 pounds

The Knights of Columbus Column

Date of the annual Fall and Fall Festival: October 14th at Saint Stanislaus Stadium. Proceeds from this affair will go towards the St. Stanislaus-Knights of Columbus Xmas Fund. Further details will follow in this column.

The Council and the Ladies Auxiliary extend their sympathies to Mr. and Mrs. Maurice Martin in their bereavement.

We wish a speedy recovery to John V. Morreale, Jr., who suffered a painful accident this past week.

Grand Knight Ed Murtagh accompanied by Ronald Lafontaine and Albert Grass attended an intercastal meeting at Biloxi last Sunday.

The Knights will assist in the forthcoming Homecoming Festival of St. Stanislaus to be held on October 20th and 21st. This promises to be one of the most interesting affairs of the Fall season.

Congratulations to Mr. and Mrs. E. J. Marengo on their new arrival. It's a girl, their second.

All plans have been completed for the Columbus Day Celebration. Don't forget the date, Saturday, October 13. This night is especially for the ladies.

Guy Drew is recovering at his home in Waveland. Guy is one of our popular young members and we wish along with his many friends a speedy recovery.

The Ladies Auxiliary will hold their annual election of officers this week.

The Council will hold a special meeting next Monday to complete plans for the forthcoming initiation to be held in Biloxi on October 14th.

Did you know that Pere LeDuc Council was chartered on December 18 1910 and that the Council is still the largest Fraternal Organization in the County.

The Council was named after father Pere LeDuc who was Pastor of Our Lady of the Gulf Parish.

Our best wishes are extended to Gaspar Maurigi, Jr., who is confined to his home on Main Street. Brother Maurigi recently suffered a back injury.

DON'T FORGET the Blood Bank Drawing on October 24. The drawing will again be held at the Bay St. Louis Youth Center.

and 3 ounces.

Mr. and Mrs. William F. Boyington, announce the birth of a daughter, Sept. 25, 1956, weight 7 pounds, 4 ounces.

Mr. and Mrs. Lee S. Ladner, Pass Christian, Route No. 1 announce the birth of a son, Sept. 29, 1956, weight 8 pounds, 10 ounces.

Named Winner In Forest Improvement Program

Jackson, Miss. (Special)—E. C. Weston of Kila, has been named the winner from Hancock County in the State forest improvement contest sponsored jointly by the Sears-Roebuck Foundation and Mississippi Forestry Association with guidance furnished by members of the State Agricultural Coordinating Council.

During the contest year contestants performed forest practices to increase both quality and quantity of timber grown on a 5-acre plot of their selection.

These practices included planting seedlings, plowing fire breaks, protection from over-grazing, and removal of inferior trees to boost growth in the better ones.

Many contestants piled up additional points by keeping a written record showing both cost of improving the plot and profits obtained from forest products harvested from the area.

As a climax to the contest, each county winner will be treated to a two-day, expense-paid trip to Jackson, October 11-12. Activities begin with a tour of the Mississippi Products plant followed by a recognition dinner.

Friday the group will view the Mississippi Forest Festival Day events which include the Forest and Forest Products Parade, crowning of State Queen of the Forest, and annual banquet of the Mississippi Forestry Association.

All county winners will receive certificates of achievement as an added honor while the five district winners will be presented plaques.

Of course, it's none of our business, but do you know any more now than when you quit going to school?

ELECTED OFFICERS AT PEARL RIVER JR. COLLEGE

Charles Longino, of Poplarville, and Rosemary Millinery, of Bay St. Louis, were elected vice-president and secretary-treasurer respectively of the student council at Pearl River Jr. College in elections held this week.

Charles, a freshman, is majoring in Religious Education. He is also very active on the campus being a member of the P. R. C. band and the Glee Club. Rosemary is also very active in all phases of school life and she especially likes sports. In high school, she played on the basketball team for four years and during her senior year played on the DeSoto Conference team. She was a cheerleader in high school three years and this year she was elected cheerleader at the college.

Also assisting Sidney Buckley who is president of the student council, are these representatives from each class: Mary Ann Palmer, sophomore; Paul Highstreet, freshman; Joe Mollere, senior (high school); and Wendell Mitchell, junior (high school).

Graham McDonald serves as faculty advisor for this governing body.

HOME AGENTS' NOTES

IDA LAURA GARRAWAY
Home Demonstration Agent
Hancock County

After the hard work of summer, do you find you need to replenish your towel supply? A "yes" answer brings another question: "How many do I need for an adequate supply for my family?"

The answer is have six towels for each needed size and six wash cloths for each person in the household. This allows for two towels in use, two in the laundry and two on the linen shelf.

COOKING DRIED FRUIT

The days of overnight soaking or dried fruit are past. Most dried fruits can be cooked without soaking; simply follow the directions on the package. If you find the word "tenderized," it means that the fruits have been slightly precooked after drying. They will require a shorter cooking period.

You'll find that dried fruit sold in bulk will be drier and harder than that sold in small lots. You will need to soak this fruit in warm water for about two hours or until the fruit is plumped.

Use dried fruit uncooked as a between meal snack. Children will like it because it gives them something to chew on.

Store dried fruits tightly covered in a dry, cool place.

To keep fresh milk at its best keep it clean, cold, covered and in the dark. Milk holds both nutritive value and flavor best when kept cold. If you store it near the freezing unit of your refrigerator, you can expect it to keep good quality and flavor for 3 to 4 days and maybe longer.

TAKE YOUR MEDICINE

None of us likes to take medicine, but if we've been sick enough for the doctor to prescribe medicine for us, we should take it. And take it according to his directions. If he said take it right after breakfast, you should take it then—not as an afterthought just before lunch.

Your doctor had important reasons for telling you to take one kind of pill before meals, another right after meals or another first thing in the morning.

For example, some capsules he prescribes have "built-in" mechanisms so they can produce delayed action, repeat action or controlled release over a certain period of time. Take the cap-

National Letter Week To Be Celebrated October 7 To 13

National Letter Writing Week will again be celebrated in Bay St. Louis, Mississippi during the week October 7 to 13. Postmaster Frederick L. Herlihy announced today.

Commenting on the significance of National Letter Writing Week, Mr. Herlihy pointed out that each year since 1938 this event has been observed as a reminder of the real meaning of a personal letter.

Emphasizing on the traditional sanctity of the mail, Mr. Herlihy reminded Bay St. Louis residents that one of the basic American freedoms of the uncensored transmission of their first class mail. It is the most valuable possession of the citizens of a free country.

"We all know the human importance of letter writing," Mr. Herlihy stated, "the way in which it holds scattered families together, of giving comfort and love and news to all the people of the land. But its value is immeasurably greater than that. Its implications are almost infinite.

"We in America have the privilege of uncensored and unlimited means of communication. With this in mind, I urge all citizens of Bay St. Louis to join me in this national celebration. Let's make National Letter Writing Week for 1958 the greatest ever.

BOILED CUSTARD ICE CREAM

Whatever the time of year, ice cream is a favorite dessert. If you like to freeze your own ice cream, you will want to try this recipe. It makes one gallon of ice cream.

Education is a great thing. It is not exclusively to the acquisition of knowledge.

Here Today!

A new kind of FORD with the mark of tomorrow

Lowest family car on the road

Only four feet eight inches tall

Everywhere you look it has the "Touch of Tomorrow"

Six or eight the going is good!

The Fairlane 500, finest Ford series, features five of the 19 longer, lower, better Fords for '57.

You're in for a thrill when you see this new knock-out Ford! But save your superlatives till you drive it! That's where the fun really starts.

It's fun just knowing that others who see you will say "you're new!" For you're commanding the lowest, lowest, heaviest, biggest car ever to sport a new fall bonnet. There's head room to spare for a new fall bonnet. There's stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the toughest road you'll care to travel. New outboard rear springs and ball joints give suspension let Ford take the turns without the old New sweepback control arms help take you out of bumps.

Best of all, Ford's library-like quiet is built in. And the new "Inner Ford" is why. For never before in Ford's field has there been a body with so much extra-bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.

The Fairlane Fords for '57, like the Fairlane 500 models, have no equal... no counterpart, in the low-price field.

Go first with FORD for '57

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Joseph Seuze neau Blanchard announce the engagement and approaching marriage of their daughter, Joanne Mary to Wallace Alvin Burns, son of Mr. and Mrs. Charles Joseph Burns of New Orleans, La. The marriage will be solemnized November 17 at Our Lady of the Gulf Church.

Miss Blanchard is a graduate of St. Joseph Academy. Her mother is the former Miss Mary Shiba of New Orleans.

Mr. Burns received his Bachelor of Science Degree in Civil Engineering from the University of Mississippi, where he was a member of Kappa Sigma Fraternity and Chi Epsilon, honorary engineering fraternity. His mother is the former Miss Lea Verret of New Orleans.

Miss Blanchard has chosen as her attendants her six sisters. Mrs. Donald Joseph Faust will act as matron of honor, Miss Marianne Blanchard as maid of honor, and bridesmaids include the Misses Dianne, Julianne, Anne and Patricia Anne Blanchard.

Edmond Brignac will serve as best man to Mr. Burns, and groomsmen and ushers include Albert Burns, brother of the groom-elect; Gene Hymel, Gary Hymel and Emile Leder, cousins of Mr. Burns; Sidney Reynaud, Harry Chapman, Claude Kohler, and Robert Ballina, a cousin of the bride-elect.

6,919 Arrests Made By Highway Patrol During August

Jackson, Sept. 28, 1956—Highway Patrol Chief Bill Hood states that 6,919 arrests were made by State Highway Patrolmen during August. He estimated that the September arrest total may go higher.

According to Chief Hood, 6,286 "Warnings" were issued by traffic officers in addition to the 6,919 arrest tickets.

The Highway Patrol has stressed repeatedly during recent weeks that its overall enforcement program is being stepped up. Patrol officers have been warned to "keep on the Road" and to do everything in their power to curb the State's increasing death toll.

The August arrest total was up 8.03 percent above the July arrest figure, and up more than 180 percent from the arrest total of August 1955.

Of the 6,919 arrests made during August of this year, 5,090 involved what the Patrol terms "Hazardous Violations", reckless driving, speeding, improper passing, and driving while under the influence of intoxicating liquor. Only 1,829 tickets were written for non-hazardous offenses such as improper tag and no drivers license.

According to the Highway Patrol, the arrests were fairly evenly scattered throughout the state.

TIGER TALES

Bay High has organized a pep squad. It consists of about forty girls. These girls were selected from Miss Longest's P. E. class. They range from the 8th to the 12th grade.

The purpose of the pep squad is to answer the cheerleaders' cheers, and cheer our boys on to victory.

The Pep Squad marches behind the band, keeping in time with the music. They performed with the band for the first time September 20. There was a parade before the game in which they marched from Bay High to St. Stanislaus stadium.

Saliba—The 4th and 5th grades are glad to welcome Donnie Bilbo in the class.

Harriel—The 5th grade is glad to welcome Carol Fayard as a member of their class.

Lola Smith—The 6th grade Class, Lonnie Bilbo.

Zengarling—The 6th grade welcomes James Fayard as a member of their class.

The Ambassador's Daughter To Be A Highway Drive-In

"The Ambassador's Daughter" will be shown at the Hi-Way Drive In Theatre, Sunday, Monday and Tuesday, October 7, 8 and 9 in Cinemascope and Technicolor.

Together in one of United Artists' most entertaining pictures brings you five of your screen star favorites: Olivia de Havilland, John Forsythe, Myrna Loy, Adolphe Menjou, and Edward Arnold, starring in The Ambassador's Daughter, will be the Christian Dior Fashion Show of Paris.

Besides the Diplomatic performances, there is De Havilland, the fiancée of a prince, who is not so diplomatic in her love at first sight situation.

Fashion Shows are only part of this entertaining, complicated feature, of your five favorite stars. See Myrna Loy and Adolphe Menjou with Edward Arnold.

"STORM FEAR"

WAVELAND WANDERINGS

by GEORGETTE B. HALL

You no doubt have heard of the three little kittens who lost their mittens. Well, there are three little puppies, very cute, who have lost their mother or perhaps, their mother has lost them. The pups are very young and were found by Dr. Walter Hava in his yard during the recent downpours of rain. As he is a lover of animals, the doctor took them in his basement where he provided them with shelter and food. The puppies are up for adoption and certainly each will make some child a friendly pet. Won't you give a home to one of these playful orphans? There are two males and one female.

Perhaps this message is a little late, but this column and its readers extend very sincere sympathy to Mrs. Robert McNamee, her children, relatives and friends. The sudden death last week of Brother Robert McNamee was a great shock to the community. He was instrumental in giving Waveland a Baptist Church, and establishing churches in Lakeshore and the Kiln. He will be greatly missed by his many friends.

Mr. Malvin Ladner, Miss Eunice Moran, Mr. and Mrs. Wesley Haas, and Peggy Ann Haas, left Sunday for New York where they will attend the World Series.

Mr. Louis Ladner, son of Mr. and Mrs. Garfield Ladner, and a student at Mississippi Southern College, spent the weekend in Waveland at the home of his parents.

Mrs. Richard Mestayer, Sr., is in New Orleans with her daughter, Mrs. Jerry Lannon who has undergone surgery. Best wishes for a speedy recovery are extended to Mrs. Lannon.

Recognizing the critical need for Transportation between New Orleans and Waveland as well as other Gulf Coast cities, Mayor Garfield Ladner and his Board of Aldermen requested and obtained a meeting between said town officials and representatives of the L. & N. R. Co.

The L. & N. officials explained that it was both impractical and impossible to consider additional stops on their Train No. 99.

They did, however, suggest that our transportation problem was one that could be solved by ourselves.

The existing commuter schedule arrives in New Orleans at 8:40 A. M. and leaves New Orleans at 5:15 p. m.

The L. & N. Officials offered statistics to verify that the existing schedule was suffering an operating loss and that the patronage enjoyed did not favorably compare with the existing commuter traffic.

Realizing that transportation is of vital importance to the welfare and growth of any community, we, the Mayor and Board of Aldermen of Waveland, Miss., request that all commuters desirous of public transportation between New Orleans and Gulf Coast Cities complete the attached ballot and forward same to:

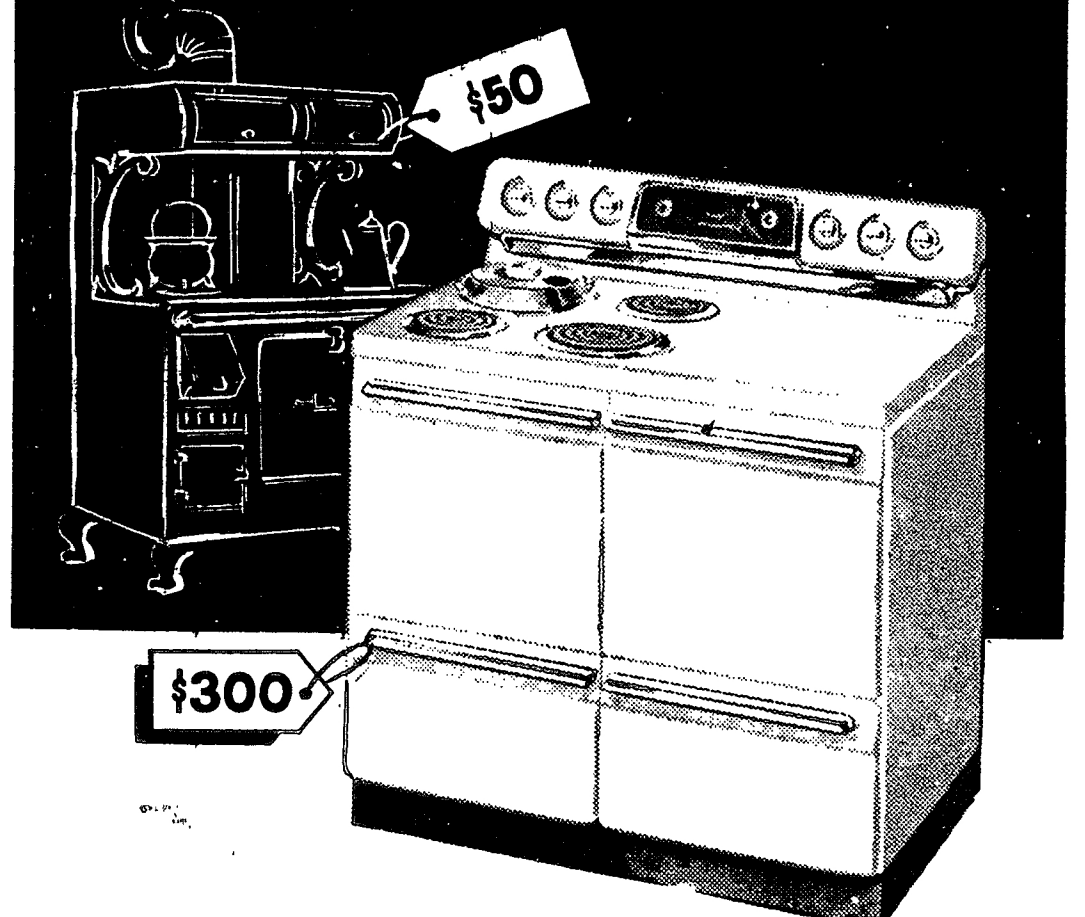

MAYOR GARFIELD LADNER
WAVELAND, MISS.

In view of the fact that final disposition or scheduling of a schedule is dependent on a service to the majority, it is requested that only those individuals desirous of or in need of service complete the attached ballot.

() I request that the schedule be changed to have arrival in New Orleans at 7:30 a. m. and continue departure from New Orleans at 5:15 p. m.

() I request that the existing schedule, leave New Orleans at 8:15 p. m. and arrive New Orleans at 8:40 a. m. be retained.

() I request that the schedule be changed as follows:

COSTS MORE TO PRODUCE TODAY

Most everything you buy nowadays costs more to produce... That's because wages are higher and materials cost more... Today's dollars just don't buy what they used to!

It's no different with the Telephone Company... Like most other businesses it has felt the full effect of inflation and rising costs... Since the last time the Public Service Commission set lawful rates for the Company in 1949 — two items of expense alone (six wage rate increases and an income tax increase) have added over \$4 million a year to our operating costs... That plus other cost increases associated with our additional investment in the State adds up to an increase of over \$7½ million a year.

Only \$3½ million of this had been offset by additional revenue from rate increases prior to our recent application to the Public Service Commission. That's why we asked the Commission to make a thorough study of our revenue needs and set new rates that will be fair to telephone users and to the Company.

Southern Bell TELEPHONE AND TELEGRAPH COMPANY
